We hope everyone is having a great time, and happy to support Hatherleigh Carnival.
Our President for 2016 is Mrs Jenny Phillips from Monkokehampton. Jenny’s family moved to Hatherleigh when she was four and they swiftly became Carnival fans and made their first float which Jenny was on at the age of five. Her family made floats for years, then at about the age of fifteen Jenny took on the task of making her own. Jenny was an attendant for the last Carnival King and Queen, Mr Ronnie Hicks and Mrs Eileen Pillivant. She is Hatherleigh Carnival mad and has only ever missed two carnivals - one due to a bad case of flu and the other due to being in hospital following a car accident; although even then she asked her husband Fred to wheel her out and home to see it! Jenny has expertly judged at the Carnival for many years but hopefully she will be allowed to have a year off and just enjoy being this year’s Carnival President!

Hatherleigh has its very own ‘Queen Elizabeth’ this year as our 2016 Carnival Queen is sixteen year old Elizabeth Hutton from Rutleigh Farm. Elizabeth’s family are also the Carnival’s own ‘Royal family’ as we have Mum - Ann, Dad - Andrew and brother – William! Elizabeth has always been a huge fan of Hatherleigh Carnival and has taken part as a walking guy many times, but this will be her first experience on a float. Mum, Ann, says Elizabeth has lots of ideas and is looking forward to helping to make her tableaux. Elizabeth has recently begun her apprenticeship at ECLIPS in Okehampton. Elizabeth’s chosen charity is the special care baby unit at North Devon District Hospital as she was born 8 weeks early and wants to give something back in return for all the loving care that she received.

This year’s Prince and Princess are Heidi and Guy Flowers. They moved to Hatherleigh from Coventry just over a year ago and couldn’t be happier with their new life. Despite sadness leaving many friends and family behind, Hatherleigh now feels like home and they have made many, many new friends here. Heidi attends Hatherleigh Primary school and loves it- she has just moved into Year 4. Guy left Hatherleigh and Highampton preschools in the summer and has joined his sister at big school in reception. They both love swimming and being outdoors as much as possible. They like taking long walks exploring the countryside with their Mummy, Daddy and Penny their dog. Heidi attends the local Brownies group as well as the school choir and plays the ukulele (a potential Ukulele Basher in the making?) Guy loves sports and is very keen to join the Hatherleigh football and cricket clubs as soon as he is old enough. They would both like to thank everyone in Hatherleigh for welcoming them into their fantastic community. They feel honoured to have been accepted and to be given such a special role in this year’s carnival. They wish everyone a happy carnival.

The committee would like to thank Jenny, Elizabeth, Heidi and Guy for being our 2016 President and Royalty and hope they all enjoy their day.
Best wishes to Hatherleigh Carnival

Every year the carnival committee have to invent new ideas to encourage the general public to part with their hard earned cash! To run the carnival costs approximately £10,000 per year so as you can see, the importance of raising as much money before carnival day is paramount.

This year we decided to try something new; on June 11th to coincide with Her Majesty Queen Elizabeth II’s 90th birthday, we organised what turned out to be an extremely successful, well attended Street Party. There were fun activities for all ages including papering a crepe paper flag that was raised later in the proceedings, a fancy dress competition, sponging a committee member, the Hatherleigh Silver band led us in a ‘mini proms’ and of course a scrumptious tea party! As the evening progressed everyone enjoyed a real party atmosphere with some very talented musicians who entertained the crowds. A fantastic £1,156.16 was raised!
On Friday 15th July we held the Grand Carnival Disco at the market. This year, for the first time ever, we unfortunately had to turn some people away as we were full to the legal capacity. We had a terrific night – the barbecue sold out and almost everything at the bar was sold also (apart from some Rosé wine!) Again, there was a fantastic party atmosphere and everyone had a great time. To top it all, we raised a staggering £4,023.70!

The committee would like to take this opportunity to thank everyone who helped to make these events such a great success. We would also like to thank everyone who came and supported any of the carnival fundraising events. It is because of your generosity and attendance that the carnival is able to take place. Thank you!

Photo Competition

Last year we held a photo competition where we invited members of the public to share the images that they had taken of our carnival. The winning entry (chosen by photographer Geoff Hodgkinson, and last year’s Carnival Queen, Ella-May Jevons at the final committee meeting of the year) was this image of Jessica Squire on the amazing Mechanical Circus Float and was taken by Rupert Stockwin. Congratulations Rupert! We will be running the competition again this year, so get snapping and maybe you could be the winner this year.

Did You Know?

We have two new classes this year for people that would like to have a go at a carnival float but are put off by size. Classes 3 and 5 are for trailers 13ft and under (class 3 for minimum 75% crepe paper and class 5 for any materials). Both classes will receive a grant of £180.00. Two new shields have been purchased for these classes; one in memory of Mrs Gill Davis and one in memory of Mr Brian Doidge.

Have You Got Your’s Yet?

Don’t forget to buy your carnival badge, which this year are cerise pink in colour. Each badge has a lucky number on the back. If your number is drawn out at the final committee meeting of the year you will win £50.00. Look out for the winning number on our website, facebook page and in The Paper Shop.

New For This Year

Vice President badge - £10.00. If you buy one of these you will get exclusive use of ‘The Old Schools’ to warm up and use the facilities! You will also get a glass of bubbly and light refreshments. The winner of the lucky number will receive £50.00 plus a meal voucher, kindly donated by The George Hotel. A list of vice president badge holders will also be listed in next year’s programme.

Badges are available to buy in local shops and businesses as well as from committee members.
A Message from our 113th Carnival President

It was a great shock when I was asked to be 2016 carnival President – but also a great honour and one I could not refuse.

I was four when my family came to Hatherleigh and five when they decided to try and make a float which they then did for every year after until the late 60s, when they moved away and I married and moved to Monkokehampton. I still came to the carnival only missing two.

In the past few years I have been a judge which I immensely enjoy doing.

I wish Hatherleigh Carnival all the best. I am sure it will continue for many years to come due to the hard work of the wonderful committee.

Dear Residents of Hatherleigh,

As I am sure you are aware, this year’s carnival takes place on Saturday 12th November. As has been the case in previous years, cones will be placed around the town to keep the carnival route clear. I am writing to you to make you aware of where and when the parking restrictions will apply.

The route is the usual ‘figure of 8’ around the town, and the following roads will be affected: Victoria Road, South Street, High Street, Holsworthy Road, Market Way, Hole Court, Market Street, The Square, Park Road, Bridge Street, Normandy Place and part of the A386 by-pass. The Square and part of Market Street will be closed on both Friday and Saturday night up to Midnight.

Please note that any vehicle parked in contravention of the parking restrictions is liable to be issued a Fixed Penalty Notice served by the Traffic Enforcement Officers.

I hope you understand that the restrictions are necessary for the safety of everyone involved in the carnival. I am aware of the issues that can arise from the restrictions but your patience and co-operation is appreciated by everyone.

We will endeavour to open the roads as soon as safely possible and keep disruption for residents to a minimum.

If you wish to contact the Committee to discuss parking, please do, by using the Number 01837 810265 and speak with our Secretary, or alternatively leave a message at our e-mail address which is info@Hatherleighcarnival.co.uk.

The Chairman’s Message 2016

Hopefully you have enjoyed reading our programme and have noticed that we have already had a busy year on the Carnival Committee. Last year was a difficult year for the committee and the weather on carnival night summed up this sentiment; nevertheless, we had a great carnival with some memorable entries.

Unfortunately, we only made a small profit in our last financial year. As a consequence, this year, we have focussed our attention on fundraising hosting the Queen’s 90th birthday Celebration, the Tar Barrel Challenge and the Carnival Disco, which were well supported and I thank everyone that donated to the events and to everyone else that attended.

The monies raised have allowed us to introduce new classes (see pages 16 and 17) and improve the carnival experience for everyone’s enjoyment. Hopefully the new classes will inspire new blood into the carnival family and we hope that they will utilise the depth of knowhow that is freely available from the committee. We feel it is very important that we can encourage and retain new and returning entrants and we appreciate all the hard work put in by everyone involved.

Our core principles remain the same, which are:
• To protect our heritage
• To safeguard our event
• To invest in the future.
• To make it a safe and enjoyable experience for all ages.

The committee have decided to return to the market this year for the afternoon procession after moving to the community centre last year. We have reviewed and discussed the measures we will need to put in place when we have to return to the community centre; hopefully not too soon.

Thank you to everyone who gives, loans, donates or volunteers to make this event happen.

Looking forward to seeing you over the carnival weekend.

Mark Reddaway
Parking on Carnival Day is very good overall, and the Committee thank those of you who find alternative parking arrangements for the festivities. Unfortunately there are a small minority who fail to follow or are unaware of the parking restrictions. Due to the nature of the event we have to minimise any chance of endangering the public, or any of our own participants. If you need any advice on the parking restrictions please ring or ask any Carnival or Tar Barrel Committee member for further details. Alternatively read the details enclosed in this programme.
Hatherleigh’s Tar Barrels have been happening for at least 160 years. Ensuring the Barrel pulls are executed safely and properly takes time and effort. It also takes money, so fund-raising is important.

The Tar Barrel Committee organises many fund-raising ‘experiences’. In the past they have pulled the barrels around local villages and pubs, raising money through sponsorships and collections. One year we pulled the barrels a total of 40 miles (though part of that was by coach, admittedly).

This year we invited 4-person teams to try their hand at pulling a special single-barrel sled around the town, comprising a 300m dash up Bridge Street, negotiating an obstacle course around the Square and then dashing the barrels back to the start line, all against the clock. Overall, 27 ‘teams’ took part. Children’s, ladies and men’s teams appeared from nowhere, some in fancy dress. An ‘Iron Man’ solo category created itself, with spectacular results – including one Committee member deciding to carry the barrel back to the start line after his brother had ‘opted out’ of his solo pull half way round! 2-person Ladies Teams showed up late in the day too.

Throughout the day bands, groups and DJs entertained in The Square, among them the Ukelele Bashers and Rob and Dave. Various stalls and other devices for extracting money from spectators were also to be seen. Money was also raised from sponsors including the Tally Ho! The Pottery, Bridge Garage, Richard Tidball Insurance, The Duke of York, Iddesleigh and the Red Lion Inn, Exbourne.

We thank everyone who took part as well as those who supported the event to make it the success it was. Thank you also to Chris Hancock who has donated the paraffin needed for Carnival day. Please give generously to the collectors on carnival day and help keep the Carnival and Tar barrels alive.
A DVD with two movies of the 2015 Tar Barrel Pulls is now on sale. One film covers the entire 5am pull, with SledCam being a highlight. Historical background and three commercial music tracks (including Born to Run) are included. The second film is a Pathe News style presentation of the evening pull, featuring the Silver Band. This film has won two awards in recent film festivals. It’s an ideal Christmas present. All funds raised will go to the Tar Barrels. Ask at The Ruby Information Centre, the Hair Studio or The George Hotel for your copy.

I’ve really enjoyed my year as Hatherleigh’s 112th Carnival Queen. Carnival day last year was brilliant from dawn tar barrels to dusk. I would like to thank my Mum, Gary, my Granny and both Grandads, Penny, Liz, Cass and my Attendants for all their help building my white Wonderland Palace. Thanks to the tractor driver from Blakewell Services and everyone in Hatherleigh who supported me by buying Carnival Queen draw tickets. Good luck to this year’s Royalty and wishing everyone a happy carnival 2016.
